**From Dave Freed "The Tomato Guy" email [davethetomatoguy@gmail.com](mailto:davethetomatoguy@gmail.com)**

Many people do not want to make their own accessories. I'm retired, enjoying life and don't want or need a job or income selling accessories however, if I can add a little more success to your tomato growing-- I'm happy to make these.

- Quantity**
- \_\_\_\_\_ \$28.00 each --- **Most popular Self-Watering Containers.** Solves the problem of watering. Uses regular heavy duty cage
  - \_\_\_\_\_ \$20.00 each ---The **Most popular regular Heavy Duty Tomato cages.** Keeps tomatoes up off the dirt/patio. Approximately 2 feet in diameter x 5 foot tall. Fits all containers, raised beds, backyard garden soil.
